

# Notice of American River College Community Workshop for Los Rios Transportation Connections Plan

6:00 – 8:00 pm  
Thursday, July 12, 2007  
Instructional Technology Center  
American River College  
Reserved Parking in Lot B, please see map on back page

## Agenda:

- Welcome and Introductions: David Viar, ARC President
- Planning Process: Anne Geraghty, WALKSacramento
- Community Priorities: Group Discussion

This is an opportunity to share ideas, concerns, and priorities for potential walking, bicycling and transit access improvements to American River College.

Possible plan elements include:

- Sidewalks & bike lanes around American River College
- Arcade Creek trail access to college
- On campus transit center
- Pedestrian and Bicycle bridge from Winding Way

The Los Rios Transportation Connections Plan is being developed by WALKSacramento, in partnership with the Los Rios Community College District and the Sacramento County of Transportation with funding from a Caltrans Planning Grant.

Your views are needed. Planning is the first step before seeking funding for potential improvement projects.

## Project Timeline:

- June-September 2007 – Data Gathering & Plan Development
- September-October 2007 – Draft Plan & Feedback
- November 2007 – Plan Due to the Los Rios Community College District Board
