## The BANNER

---

**BALDWIN ELEMENTARY SCHOOL**

The Principal says.....

**Keep an eye out for the Parent Involvement Day brochure going home today.** This annual event was previously known as our Human Relations Day. There will be free activities, presentations to help your children with academic performance and behavior, and the opportunity to meet informally with our superintendent. The evening will include multicultural food sales and a performance by the Bernal Jazz Band. I'm hoping for a high turnout of Baldwin families!

Sincerely,  
Viviana Rios, Principal

**Parking Lot Safety**

We are having many problems with parents parking cars in the school bus red zone. If you are picking up your child, you must park in a designated spot or on the street away from the entrance/exit. We have had several incidences in which parents have blocked the buses or double/triple parked in the parking lot. This is becoming a very dangerous situation. One of our staff members walked to the parking lot and discovered damage to her car. There have also been several near misses between cars and pedestrians. Please remember that the safety of our children is a top priority at Baldwin School. Park your car in a legal spot and walk to meet your child. The police have been notified of

this problem and may cite drivers during one of their patrol stops. Thank you for your attention to this matter and special thanks to all of you who DO follow safe driving practices.

**Words from Student Council**

Student Council members would like to remind students to keep our campus clean. Let's show our school spirit by caring for our campus.

# Direct communication

- Educate parents and students
- Deliver warnings
- Reward pedestrians and bicyclists

# Carpool

## Jump Into the Pool!

The SchoolPool program is a service that provides matchlists to parents with students attending the same school(s) so that students may carpool, walk, or bike together.
