

Join the Yuba County Safe Routes to School Coalition!

Yuba County Public Works and WALKSacramento are hosting a Safe Routes to School Coalition for the 2020/21 and 21/22 school years to support Safe Routes to School (SRTS) programs at Ella Elementary School, Olivehurst Elementary School, and Yuba Gardens Middle School.

WHAT IS SAFE ROUTES TO SCHOOL?

SRTS is a program that works to address student transportation challenges with two key goals: Improve the safety and accessibility of walking, biking, rolling to school and encourage more families to walk, bike, or roll to school through education and encouragement programs.

WHAT IS THE COALITION AND WHO IS IT FOR?

Coalition meetings are for parents, community members, community partners, school staff, public health and planning agency staff and anyone else interested in supporting SRTS. Coalition meetings are held quarterly and are organized by WALKSacramento.

- Tuesday, November 16, 2021 3:30 pm
- Tuesday, February 15, 2022 3:30 pm

Safe Routes to School during COVID-19
